SINGAPORE

ABOUT SUPPLY CHAIN ASIA AWARDS

Supply Chain Asia (SCA) Industry Night aims to invite all senior supply chain professionals to come together to network and strengthen relationships with one another in the industry.

The Awards ceremony will remain the core component for the Industry Night, as we continue to provide a credible platform where achievements and success in the sector are celebrated, and top industry players and service providers are recognised for their outstanding performances.

CORPORATE AWARDS

Innovation is the theme for Supply Chain Asia Awards 2017. This year, we aim to recognise and award companies that have made the initiative to invest in innovative strategies and adopt effective technologies. Each nominee must be able to classify their efforts in the following three separate categories.

- Industry level - How innovative are your implementations in the industry?
- Enterprise level - How have your innovative ideas changed the company's traditional approach to the same challenges?
- Client level - How have your technologies benefitted your clients?

All projects must be newly implemented during the period: **1 January 2016 – 30 June 2017**. Nomination period will start in July 2017 and close by 22 September 2017.

Interested nominees must be willing to share details of their projects in a Q&A format, with possible follow-up questions. Answers can be provided with the relevant visual aids. All nominees must also have a strong base of operations in Asia Pacific. Winners are valid only if they are present during the Awards to receive the trophy. Otherwise, it will be awarded to the runner-up in the category.

Special Awards

Care & Positive Work Environment of the Year (Sponsored by NTUC)

Overall selection criteria(s):

- Fair treatment of term contract employees
- Opportunities for flexible work arrangements

All nominees will be required to complete a checklist for self-assessment of company's HR policies & practices.

Sustainability and Green Provider of the Year (sponsored by Green Freight Asia). Selection criteria will be provided by Green Freight Asia.
